

JOINTS– BLOOD TEST -DC Test Preparation

Step 1- Patient Preparation

1. **Medications** – Continue to take any required medications.
2. **Supplements** – Continue to take any supplements you are currently taking, unless otherwise advised.
3. **Complete Fasting** – Is required only if indicated on your requisition (i.e. if testing for fasting glucose, or a cholesterol panel is included. If so you must fast for at least 8-12 hours prior to this test – including no food, coffee, tea or water.)

Step 2 –Joint Testing

1. Go to www.dynacare.ca to pre-book your appointment for lab work after 730am the day of testing to avoid waiting if you wish.
2. Proceed to the lab that is designated on your requisition.

Insurance & OHIP: This test is not covered by OHIP. You will be required to pay for this test at the clinic and then seek reimbursement from your employment or private health care plan, if applicable. You may be asked to pay for tests directly that are not included in the Panel if add-ons are included.

Test results are generally available 7-10 days after lab testing. Please schedule a follow-up appointment with your healthcare team member to review the results and integrate into your health plan.
